

Dear Applicant,

Thank you for taking the time to find out more about Converge Summer Internship. We ask that you prayerfully read through the informational packet before filling out the application. When completed, bring it to the Info Desk at COTLE or to Michelle Coats to begin the process of developing your leadership gifts to change your world for Jesus!

CSI is a unique opportunity for students who would like to have daily hands-on opportunities to discover his/her gifts and pursue his/her unique assignment. It is our commitment as leaders to empower and equip students for everyday life by the vast array of experiences provided in this program. Interns are placed in environments to learn to walk with Jesus daily, learn about leadership as well as have a safe place to grow in their gifting's.

We will have an informational parent meeting Sunday, May 29th right after the 11:15 am worship service in the Converge Room. This will be an opportunity to learn more about this internship experience as well as ask any questions you may have regarding this program.

If you wish to receive a electronic copy of this application, please email michelled@theconverge.org and one will be emailed to you. We will be in prayer for you as you consider this opportunity. We look forward to meeting with you. Again, thank you for considering the Converge Summer Internship.

Sincerely,

Pastor Mario Hood
